

LAURA LORIGA

FRONT-END DEVELOPER

6 Palladian Gardens W42ER London | +44 07598282155 |
lauraloriga92@gmail.com

PROFESSIONAL SUMMARY

I have always had a passion for IT since middle school and in high school I started learning the HTML language which I really liked. Now I'm a student of SheCodes.io and I'm almost done getting a Front-end Developer certificate. My journey would start from here and I would like to be able to start with a one-year part-time internship to start gaining experience and demonstrate my skills.

EDUCATION HISTORY
